Dear Businesses and Community Members,

The mission of the MCEF is to partner with parents, the Milpitas Unified School District, and the community to raise funds for providing educational opportunities for all students in the district as well as encourage community involvement and support within our public schools.

Every year, we run our Annual STEAM showcase, which highlights science, technology, engineering, arts and math projects that students have done. This year is our largest yet, with over **600** students, **375+** projects to be presented virtually and **170+** projects to be presented in person on April 6, 2024 at Milpitas High School. Your donation will help us fund volunteer T-shirts, medallions, certificates, and laptop stickers to each participant.

We are seeking sponsors this year. Each suggested donation of \$500 will receive the following benefits:

2024 STEAM Showcase sponsor benefits:

- Company logo as a sponsor on each certificate that will go to each participant. Also, logos will be on volunteer T-shirts.
- Company logo will be on our website/social media highlighting sponsorship for the STEAM showcase
- Opportunity to hand out awards in person on April 6 as one of our VIPs.

MCEE is a 501(c)(3) nonprofit and run by volunteers. Donations are tax-deductible* and 100% of all money raised will go to help to support the STEAM showcase. Any donation amount is appreciated.

To make a donation or help with our 2024 STEAM showcase:

- Online donations are accepted at: www.mceefoundation.org, under the heading Programs / STEAM showcase & Sponsorship.
- Checks can be made out to: Milpitas Community Education Foundation or MCEF, c/o 2024 STEAM showcase, 1866 N Park Victoria Dr, Milpitas, CA 95035
- All donations must be completed by **March 15, 2024** in order to ensure the organization's logo is on the T-shirt.

If you have further questions or need to talk with us, please email Robert Jung, rob@mceefoundation.org.

Thank You for Your Support, MCEF Board of Directors
