Put Your Business in the Spotlight & Support the Milpitas Community Education Foundation (MCEF)

On May 1, 2026 our community will come together for the **Annual Appreciation Dinner and Fundraiser at Milpitas Community Center**. This evening is more than just a celebration—it is our largest fundraiser of the year, dedicated to supporting our public-school students.

It is a perfect opportunity to showcase your business to our most engaged local supporters by purchasing an advertisement in our event program.

Why Partner With Us?

By placing an ad, you aren't just making a donation; you are positioning your brand in front of **150** local attendees who value community-minded businesses. It's a powerful way to:

- **Increase Brand Visibility:** Your logo and message will be seen by local leaders, families, and potential customers.
- **Show Community Impact:** Align your business with a cause that makes Milpitas a better place to live.
