Dear Businesses and Community Members,

The mission of the MCEF is to partner with parents, the Milpitas Unified School District, and the community to raise funds for providing educational opportunities for all students in the district as well as encourage community involvement and support within our public schools.

Every year, we run our Annual STEAM showcase, which highlights science, technology, engineering, arts and math projects that students have done. This year is our largest yet, with over **750** students, **425+** projects to be presented virtually and **170+** projects to be presented in person on April 5, 2025 at Milpitas High School. Your donation will help us fund volunteer T-shirts, medallions, certificates, and laptop stickers to each participant.

We are seeking sponsors this year. Each suggested donation of \$500 or more will receive the following benefits:

2025 STEAM Showcase sponsor benefits:

- Company logo as a sponsor on our sponsor banner at the STEAM showcase, as well as on our programs. Also, logos will be on volunteer T-shirts.
- Company logo will be on our website/social media highlighting sponsorship for our STEAM showcase
- Opportunity to hand out awards in person on April 5 as one of our VIPs.

MCEE is a 501(c)(3) nonprofit and run by volunteers. Donations are tax-deductible* and 100% of all money raised will go to help to support the STEAM showcase. Any donation amount is appreciated.

To make a donation or help with our 2025 STEAM showcase:
